Hot property: five homes for sale in Boston

From a Beacon Hill condominium with views of the Charles River to a 7,000 sq ft house in Wellesley

© Matt Surette Photography

Condominium, Back Bay, \$4.4mn

Where In the Back Bay neighbourhood, overlooking the Charles River. It's about 10 minutes by car to Boston Logan international airport.

What A 3,240 sq ft condominium in a Georgian Revival building dating to 1900, with three bedrooms, two full bathrooms and two half bathrooms. Highlights include river views, direct lift access, parking and concierge service.

Why The lift takes you to a shared roof terrace with a BBQ and views of the Boston skyline.

Who [Douglas Elliman](#)
